NOVEMBER 14-15, 2009:::DAN SCHOEPF

In certain social settings it is understood that your faith, your religion, is an off-limits subject. It tends to be very close to the heart, passions, and emotions. And no one wants to see a heated argument that develops into an eruption!

So . . . it may not be politically correct to shout your faith from the mountaintop, but that is exactly what baptism is! For the world to see! "I am with Him."

This weekend we boldly, loudly, relentlessly celebrate that faith.

WELCOME GUESTS:::We're glad you're here! Following the worship service, please stop by the Information Center in the Commons to learn more about Calvary. First-time visitors are invited to pick up a free Calvary music CD!
