FEBRUARY 20-21, 2010:::DAN SCHOEPF:::JOHN 2:23-3:12

The kinds of things Jesus pulled off were impressive--to a lot of people, both then and now. Some might even "believe." We understand the Bible to be clear that "believing" is all that's necessary.

But sometimes such faith comes up short. And NOW is the best time to discover that!

So we enter into a private conversation between Jesus and a credible Jewish leader. Nicodemus' faith is not enough. Jesus explains what he really needs. And it's the same for us!

WELCOME GUESTS::: We're glad you're here! Following the worship service, please stop by the Information Center in the Commons to learn more about Calvary. First-time visitors are invited to pick up a free Calvary music CD!

Use your phone to follow along during church!
