DEC. 31-JAN. 1, 2012:::DAN SCHOEPF:::HEBREWS 10:19-25

In our computer age, we have learned how to treat the machine when it malfunctions...just hold the three keys at the same time! The theory is that such a sequence of keys could not possibly happen by the chance strokes of a youngster or novice.

That combination has gotten many a user out of "lock up"! In fact, it has come to mean "dump" or "do away with."

At this New Year, we have the opportunity to get rid of junk from 2011 and "reboot" our spiritual lives. Do you need it?? Communion reminds us of how that works.

WELCOME GUESTS:::We're glad you're here! Following the worship service, please stop by the Information Center in the Commons to learn more about Calvary. First-time visitors are invited to pick up a free copy of "The Purpose Driven Life".

WORSHIP

Welcome to Calvary! Today, Pastor Dan teaches about "Control-Alt-Delete." Use your phone to follow along during church! Today's YouVersion Live address is: bible.us/e/Fni

Next weekend, Pastor Ty will discuss the "State of the Church."

Beginning January 14-15, our next teaching series will be a verse-by-verse study of Paul's letter to believers in the commercial center of Ephesus.

If you have a need or there is something we can pray about for you, please mark that on the Communication Card in your program and drop it in the offering basket. Or, you can submit your information electronically via your phone at **YouVersion: bible.us/e/Fni**
