Systematic Theology I

Systematic Theology I: A Study of Foundational Biblical Doctrines is a class that is designed to help both the beginner and the advanced Bible student come to better understand the major doctrines of the Bible. The course will systematically work through the primary doctrines of the Bible and will help Christians take a deeper look at their faith. The topics that will be covered this semester include the following doctrines: The Bible, God, Jesus, the Holy Spirit and Angels, Satan and Demons. Taught by Paul Zobel.

* There is no charge for this course.

1 Corinthians

A Detailed Study of Paul's Call To Maturity:

The church was only five years old and was making a difference. Yet internally, there were some serious and volatile issues bubbling to the surface. Every church has them. Paul comes alongside to give Godly advice to help them grow up. Following that counsel will bring maturity in our walk with Jesus. This study will be taught by Pastor Dan Schoepf.

* There is no charge for this class.

Biblical Marriage

Your marriage is much more than a union between you and your spouse. It is a spiritual discipline ideally suited to help you know God more fully and intimately. Whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God. Whether you have been married a long time, short time, or are thinking about getting married sometime, join us as we investigate God's desire for you in marriage. Scott Mauck will lead this study.

* There is no charge for this class.

Family Night

Wednesday Nights

January 18–April 18

6:30–8:00 PM

Come And Join Us!

There's Something For Everyone!

Welcome To Calvary Family Night!

Life isn't meant to be lived alone.

In fact, God intends for us to experience life together. It's more than just showing up for a church service. It's small groups, laughing, eating, studying God's Word and just being there to listen and care for each other.

*That is what **Family Night at Calvary** is all about. We want to provide another opportunity for fellowship with believers in a more intimate setting where you can do life together and be an encouragement to each other.*

Our desire is to open the church building for small groups to meet while your kids can choose an amazing KIDZ CLUB designed just for them. And if you don't have a small group that's OK...

we have a variety of Bible studies you can take to get to know others. We even have a Zumba class! No matter where you are in life. . .

there's something for everyone at Calvary!

Now Introducing—A New Program

Break Always

For Middle School Students

Life is tough sometimes. . . especially for Middle School Students. The pressures of school, friends, and even home can be overwhelming. We understand that Middle School students are sometimes goofy and loud...and we love them for it! This program will embrace that and become a place where students can come and be silly, hang with their friends and caring leaders and "breakaway" from the pressures of their world. We believe that God is an important part of every person's life, and we will seek to meet every student where they are in their journey with God and encourage them to grow deeper in their faith.

Breakaway will be loud, crazy and a ton of fun! But behind it all is a deep desire to connect with students in a real and relational way to help them go deeper in their walk with God.
